	2.	it Procken to Marienborn. The battalion company or plateon strength in Abbenrode battalion in Dedeleben had such korwando	arters compatitions compatitions localing locali	as town commander, bany and a replacement per sirfield on Klusberg ated in Luctgonrole, ated in Luctgonrole, ated was commanded by by Saptain Zierfelu (fum), as regimental commander, at the southern edge of ode had kommandes in a and Thoden and Pabstdometal.
	21.	The regiment was armed with Soviet rifle and "alter 76.5-mm pistols. It was equip model Ifa Horch Diesel personnel carrier	s and maching ped with now s, HN sedar	ne guns and models 08
25X1A	5X1A 1. Comment. The regiment probably is the Deutsche Grenzpolizei Bereitschaf  (DGPB) which is known from provious reports. The terms regiment and battalion are used for the first time in connection with the border police and need to be confirmed. The three battalions committed at the border most probably are kommandanturen. However, a kommando has been carried in Ohrsleben and a
